Ayman Nasir Uddin

Junior React.js & Next.js Developer

+8801760977865 | ayman1nasir@gmail.com | Mirpur, Dhaka, Bangladesh

GitHub | LinkedIn

CAREER OBJECTIVE

React.js and Next.js developer focused on building clean, modern, user-friendly interfaces with TypeScript and Tailwind CSS. My goal is to grow into a full stack developer, taking on more responsibility with each project and moving beyond the junior level within the next 1-2 years. I want to work on complex, real-world websites with beautiful UI.

SKILLS

- **Languages:** JavaScript, TypeScript, Python, PHP
- **Frontend:** React.js, Next.js, Tailwind CSS, shadcn/ui, HeroUI
- **Backend & Database:** Express.js, Laravel, Supabase
- **Machine Learning:** TensorFlow
- **Tools:** Git, GitHub, VS Code

PROJECTS

Oikyo – Social Development Events Platform

Live Demo | Client Repo | Server Repo

Tech: Next.js, TypeScript, Tailwind CSS, shadcn/ui, HeroUI, Express.js, MongoDB, Better Auth

A platform that connects volunteers with community service events across Bangladesh, where anyone can discover and join events and organizers can create and manage their own.

- Browse upcoming events and view details without logging in
- Create, update and delete your own events, with a confirmation before deleting
- Join events with one click and track them on a Joined Events page
- Secure email and password authentication with private routes

EDUCATION

Daffodil International University — B.Sc. in Software Engineering (Major in Data Science), 2023 – 2027

LANGUAGES

Bangla (Native), English (Professional working proficiency)
